Additional Business -

1. Talks about changing the day and time of PTSO meetings for the 23/24 school year. We would possibly like to try and poll parents at the back to school BBQ for feedback on this. If possible we could have a list of events for the year along with volunteer sign up for each. We could keep a list of names and info for further contact.
2. PTSO would like to work on sending out more fliers to keep families better informed of upcoming events. We need to get more parents on parent square for more info.
3. PTSO members would like to keep faced out in public so more parents know who we are and hopefully want to get more involved as well.
4. PTSO needs to work on sponsorship
