

BACK TO SCHOOL

WELCOME BACK, DOLPHINS!

The PTSO would like to welcome all of the parents, teachers and students as we gear up for another great year at Oasis Elementary. The Executive Board is excited for the coming year and all of the events and ideas we are looking to roll out.

Our purpose as an organization is:

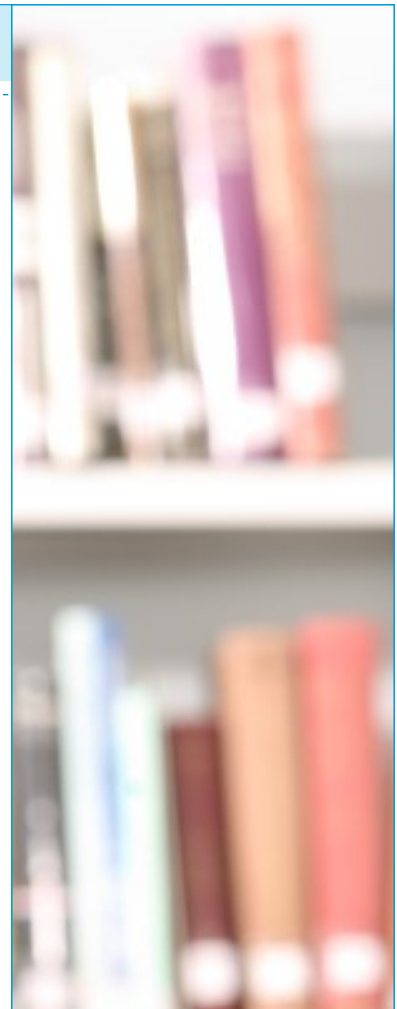

- A.) To develop between the educators and the community such united effort as will provide opportunities for the complete education of each child.
- B.) To strengthen communications between the home and the school, that parents, the students, and the teachers may cooperate effectively in the education of children.
- C.) To promote the safety and welfare of students at Oasis Elementary School.

These goals can be supported with your help and participation in our organization. We offer memberships for adults and students as listed in the bylaws that can be found on our website. There is a special rate for a household membership. You can sign up and pay directly on our website oasisptso.weebly.com. Look out for information coming home with your student or in the front office.

Most importantly though, we cannot do what we do without volunteers. With the membership forms mentioned above will also be a volunteer form. You do not have to have a membership in order to help with the many events that we sponsor throughout the year. Please let us know how to get a hold of you for volunteer opportunities that arise. There will be committees formed for some of larger events that you can be a part of or you may just want to send in supplies as needed. As much or as little as you can give is all greatly appreciated.

Thank your for your support for a fantastic year ahead!

PRINCIPAL'S REPORT

Welcome Dolphin families to another amazing school year here at Oasis! This year we are all Walking Our Talk and focusing on our top three priorities: safety and well-being of all students and staff, fostering a caring & compassionate community, and personalizing the learning for every student. Oasis has always been a place of academic excellence where we have high expectations for how our students conduct themselves as well. Last year we implemented our P.R.I.D.E. initiative: P for Positive, R for Respect, I for Integrity, D for Determination, and E for Excellence which we will continue to grow this year as it has become the fiber that is woven into everything we do here. We also were focused and intentional in our instructional practices which resulted in outstanding growth scores on the AzMERIT in ELA (5th in the district) and in Math (3rd in the district). I attribute these simply amazing results to our fabulous staff and parents working together for the betterment of our students.

These achievements are only possible because of the dedication of our community where we are PROUD TO BE OASIS. We create a school where all students feel it is a place to belong and a place to succeed. PTSO is an integral part in this mission and keeping our 30 year traditions alive as well as embracing new and innovative ideas. All of this put together to create a family atmosphere that is felt wherever you are on our campus. We are grateful for your servant leadership and we welcome all to join our efforts in making Oasis the best school possible for our children.

I know I can speak for our staff when I sincerely thank you for choosing Oasis as 41% of our students are on a variance. We realize there are other choices out there that you have as parents, and we are thrilled to know you chose us! If there is anything I can do for you or your child, please don't hesitate to ask.

Most sincerely,
Melissa Duguid
Oasis Principal
